Completely redesigned, re-imagined, and re-engineered from the ground up, the new Swift has arrived. With the personality and fun of the original hatchback, this totally new Suzuki Swift combines the latest in safety and technology with sporty, cutting-edge design. Lighter, faster, safer and even more economical, the all new Swift takes 'cool' small car design to the next level. So seize the day. Enjoy every minute. Life is Swift!

The new Swift offers control and comfort at your fingertips with features such as a touchscreen Sat Nav system with Apple CarPlay, Android Auto and reversing camera. Swift's interior is redesigned for the driver with a racer-inspired D-shaped steering wheel, body hugging seats and a driver-angled console. So what are you waiting for? Get in and have some fun!

More power than the older 1.4 model, less road noise, more room, bigger boot and even more fun to drive!
